

## LAKE CATHIE COMMUNITY NEWS

June 2019

**The LCPA volunteer Committee** continually works closely with the Port Macquarie Hastings Council (PMHC) to achieve its objectives by attending Mayoral meetings, Council initiatives and workshops during the year.

The LCPA Committee acts in the best interest of the wider community regarding the PMHC Lake Cathie Operations Plan 2019-2020, the Foreshore Master Plan, the Revetment Wall on Illaroo Road, the Lake, Beach accesses at Chepana Street, Skate Park and participate in Community Planning Workshops.

The Committee recently met with **Revive Lake Cathie** President Danielle Maltman. Danielle is an approved Federal and State Lobbyist and has a demonstrated history of working with Local, State and Federal Governments. Danielle is a great asset to Lake Cathie and we thank her and the Revive Lake Cathie Team for all their work regarding the issues with the Lake.. LCPA and Revive Lake Cathie working together in making authorities listen and act to restore the health of the Lake. Primarily, environmentally, as well as for the residents and visitors to Lake Cathie.

**The LCPA Marketing Sub Committee** actively promotes local businesses through Social Media, Business Networking Dinners and the Greater Port Macquarie Tourism Association (GPMTA).

**The PMHC conducted Community Planning Workshops** during May 2019 at the Lake Cathie Community Hall. The PMHC facilitator Georgina Perri stated “Workshop 2 was a high energy session with so many innovative and productive actions for the future of Lake Cathie and action ideas for the PMHC to get started on the development of the Lake Cathie Community Plan”.
